

Ahmed Mohamed Mostafa

Computer Science Student | Software Developer

 ahmedelmoo18@gmail.com |  +20 1122362320 |  Cairo, Egypt |  [GitHub](#) |  [LinkedIn](#)

PROFESSIONAL SUMMARY

Third-year Computer Science student specializing in software development and full-stack technologies. Hands-on experience through industry training with DPI, e& Egypt, Egyptian Airports, Telecom Egypt, and Huawei. CCNA certified with expertise in full-stack development, DevOps, and network security.

TECHNICAL SKILLS

Programming: C++, C#, JavaScript, HTML5, CSS3, SQL • **Database:** SQL Server, Database Management • **Networking:** Cisco CCNA, Routing & Switching, Network Security • **DevOps:** Docker, Kubernetes, CI/CD Pipelines • **Security:** Penetration Testing, Vulnerability Assessment, Wireshark • **Tools:** Git/GitHub, Linux, VS Code, Microsoft Office

PROFESSIONAL TRAINING & EXPERIENCE

Full-Stack Development Training | DPI

Comprehensive training in full-stack web development, covering front-end and back-end technologies, database integration, and modern development frameworks.

DevOps IT Training | e& Egypt

Hands-on training in containerization (Docker, Kubernetes), CI/CD pipeline development, and modern DevOps practices.

IT Infrastructure Training | Egyptian Airports Company

Gained practical experience in enterprise IT infrastructure management, networking protocols, and system administration.

Ethical Hacking Training | Telecom Egypt (WE)

Completed penetration testing methodology, vulnerability scanning, and network traffic analysis using Wireshark.

Network Engineering Training | Huawei Technologies

Advanced training in enterprise routing, switching protocols, and network security implementation.

EDUCATION

Bachelor of Computer Science and Information Systems | Benha National University (2023-2026)

Current GPA: 3.2/4.0 • Relevant Coursework: Network Security, Database Systems, Software Engineering

CERTIFICATIONS & ACHIEVEMENTS

 **Cisco CCNA Certificate** - Cisco Networking Academy (2023)

 **WE Ethical Hacking Certificate** - Telecom Egypt (2024)

CORE COMPETENCIES

Technical: Full-Stack Development • Database Management • Network Security & Vulnerability Assessment • System Administration • DevOps Automation

Professional: Problem-Solving • Team Collaboration • Technical Communication • Adaptability

LANGUAGES

Arabic: Native • **English:** Fluent
